RGT Group - Dedicated to healthcare and social welfare for over three decades.

The Ram Gyan Tripathi (RGT) Group, led by Dr. Ram Bachan Tripathy and his wife, Smt. Gyan Mati Tripathi, has been dedicated to healthcare and social welfare for over three decades. The group is committed to elevating lives and empowering communities across Uttar Pradesh through various ventures.

At the core of the RGT Group is the Vijay Super Speciality Hospital, founded by Dr. Ram Bachan Tripathi. It offers advanced medical facilities and world-class treatment, from critical surgeries to routine check-ups, embodying the group's commitment to healthcare excellence.

Complementing this healthcare focus is the Matritva IVF Center, led by Dr. Rajni Tripathi. The center has become a leading fertility clinic in Azamgarh, providing advanced reproductive technologies and personalized care to help families facing infertility.

The For You Foundation is the group's philanthropic arm, focusing on supporting needy athletes in Uttar Pradesh. It provides scholarships, training programs, and mentorship to help young sports enthusiasts achieve their goals.

Riva Kenko Pharma, another key venture, highlights the group's dedication to innovation in the pharmaceutical sector. With a diverse product portfolio, it aims to improve healthcare outcomes and enhance the quality of life in the region.
